### DIGITAL ART DIRECTOR

We are looking for a talented **Digital Art Director/ Web Designer** to join our team to assist in creating some of the world's most cutting edge dating and social web sites. You must be a team player who is able to communicate well & juggle multiple projects. The ideal candidate is an experienced hands-on designer who is excited about new concepts and has worked with leading brands, websites, and or mobile apps. The position requires a strong design background in visual and interaction design, a working knowledge of current trends and a portfolio of work demonstrating your range of experience.

You will work closely with the creative director and others to implement designs with fast turnaround. Your main responsibilities will include:

- Design world-class user experiences
- Design publicly visible print media under tight deadlines
- Create detailed visual mockups
- Execute your designs for production
- Create brand identities
- Work with HTML/CSS

### Experience & Qualifications:

- 2+ years related experience in web and or print design
- Strong visual design skills with demonstrated attention to detail
- Strong creative skills including color theory, typography, layout, user interface design and production techniques
- Demonstrated ability to design simple and engaging user interfaces

- Proficiency in Adobe suite of tools
- Up to date with latest UI and Print trends
- Understanding of HTML/CSS
- Strong verbal and written communication skills

Qualified candidates should send a resume and cover letter (in the same document) to [hr@avidlifemedia.com](mailto:hr@avidlifemedia.com). In the e-mail subject line please reference “**Digital Art Director**”.
