

Career Opportunities at Avid Life Media

Avid Life Media Inc. is a leading social entertainment company that operates some of the most vibrant social networking and dating communities on the web. We currently have online presence in 17 countries located around the world in a variety of languages, with aggressive plans to continue to expand the businesses. To support our continued compound annual growth and global expansion, we are looking for entrepreneurial, strategic and results oriented team members.

Our offices are conveniently located on the Yonge subway line at Yonge/Eglinton. We are currently looking for great people to fill key positions within the organization. If you feel you have the required skills and experience to be successful in the position, we would love to hear from you!

SYSTEM ADMINISTRATOR

As a **System Administrator**, you will be responsible for ensuring the ongoing availability and performance of the Avid Life Media web sites. The system administrator will also contribute to the completion of project tasks to enhance site functionality, capacity, and performance. The System Administrator works as part of the Operations team to:

- Perform regular server and application maintenance
- Identify network configuration, performance and security issues and work with managed service providers to resolve
- Complete project deliverables
- Provide support as part of a 24x7 on-call rotation
- Work with other internal and third-party team members to resolve incidents and problems
- Perform deployments and other scheduled changes
- Identify areas for improvements.

Experience and Qualifications:

- Bachelor's degree or diploma in Computer Science, Computer/Electrical Engineering or related discipline
- 3 years related experience deploying and administering Red Hat Linux Enterprise servers in a virtualized environment (experience with VMware an asset)
- Experience administering large-scale, distributed PHP or Ruby web applications
- Experience working in a fast-paced Operations environment
- Experience achieving and maintaining PCI compliance
- Strong analytical and problem-solving skills
- Strong verbal and written communication skills

- ITIL Certification is an asset.

Qualified candidates should send a resume and cover letter (in the same document) to hr@avidlifemedia.com. In the e-mail subject line please reference “**System Administrator**”.
