### WEB DESIGNER

We are looking for a talented **User Experience / Web Designer** to join our team to assist in developing some of the world's most cutting edge dating and social web sites. You must be a team player who is able to communicate well, juggle multiple projects, proactively solve problems, and deliver against tight-deadlines in a fast paced environment.

The ideal candidate is an experienced hands-on designer who is excited about new concepts and can think in terms of both wireframes and visual designs. You have worked with product developers for leading brands, websites, and or mobile apps. The position requires a background in visual and interaction design, strong front-end coding, understanding of current trends and a portfolio of work demonstrating the range of experience.

You will work closely with the creative director and others to implement designs with fast turnaround through all phases from concept to completion. Your main responsibilities will include:

- Executing designs in collaboration with other creative team and or development team members
- Working statically and/or in development environments
- Creating detailed wireframes and visual mockups.

### Experience & Qualifications:

- 2+ years related experience in web design
- Expert HTML5/CSS3 coding skills
- Demonstrated ability to design simple and engaging user interfaces
- Strong with Adobe suite of tools

- Strong command of web standards, CSS-based design, cross-browser compatibility
- Well-versed in the quirks of Chrome, Firefox, IE,
- Up to date with latest UI trends and technologies
- Experience with Responsive and or Mobile web design
- Experience with JavaScript and jQuery
- Basic Information architecture skills such as wireframes, site maps and process flows
- Comfortable working with other designers and or developers
- Strong verbal and written communication skills
- Flash AS3 skills would be an asset but are not required.

Qualified candidates should send a resume and cover letter (in the same document) to [hr@avidlifemedia.com](mailto:hr@avidlifemedia.com). In the e-mail subject line please reference “**Web Designer**”.
